

Garage Sale Proposal

May 24, 2014

to all neighbours Back alley 400 block EVEN # Kennedy and 400 Block ODD # Milton Street

We share the back alley and I have often thought how wonderful it might be to have a huge garage sale along the alley.

We all probably have some stuff to get rid of.

So I have talked with a few neighbours about having a garage sale along the back alley.

What weekend? We are open to input and to begin the discussion propose Saturday **May 24, 2014**. It is the Saturday following holiday long weekend.

Pawson Park

We could put an ad in the newspapers, put up signs- share the energy.

Paul Gogo and others might provide music.

I propose that for one day we make traffic ONE WAY ONLY to eliminate any confusion

I would be interested to hear from any neighbours who have input on this.

FYI NOCA, our neighbourhood association is talking about having an event in Pawson Park on May 17. Please watch for more news about that.
